In appreciation for her conscientious work, we also dedicate the Mirror to our school secretary, Dorothy Holzwarth.

SUPERINTENDENT, PRINCIPAL

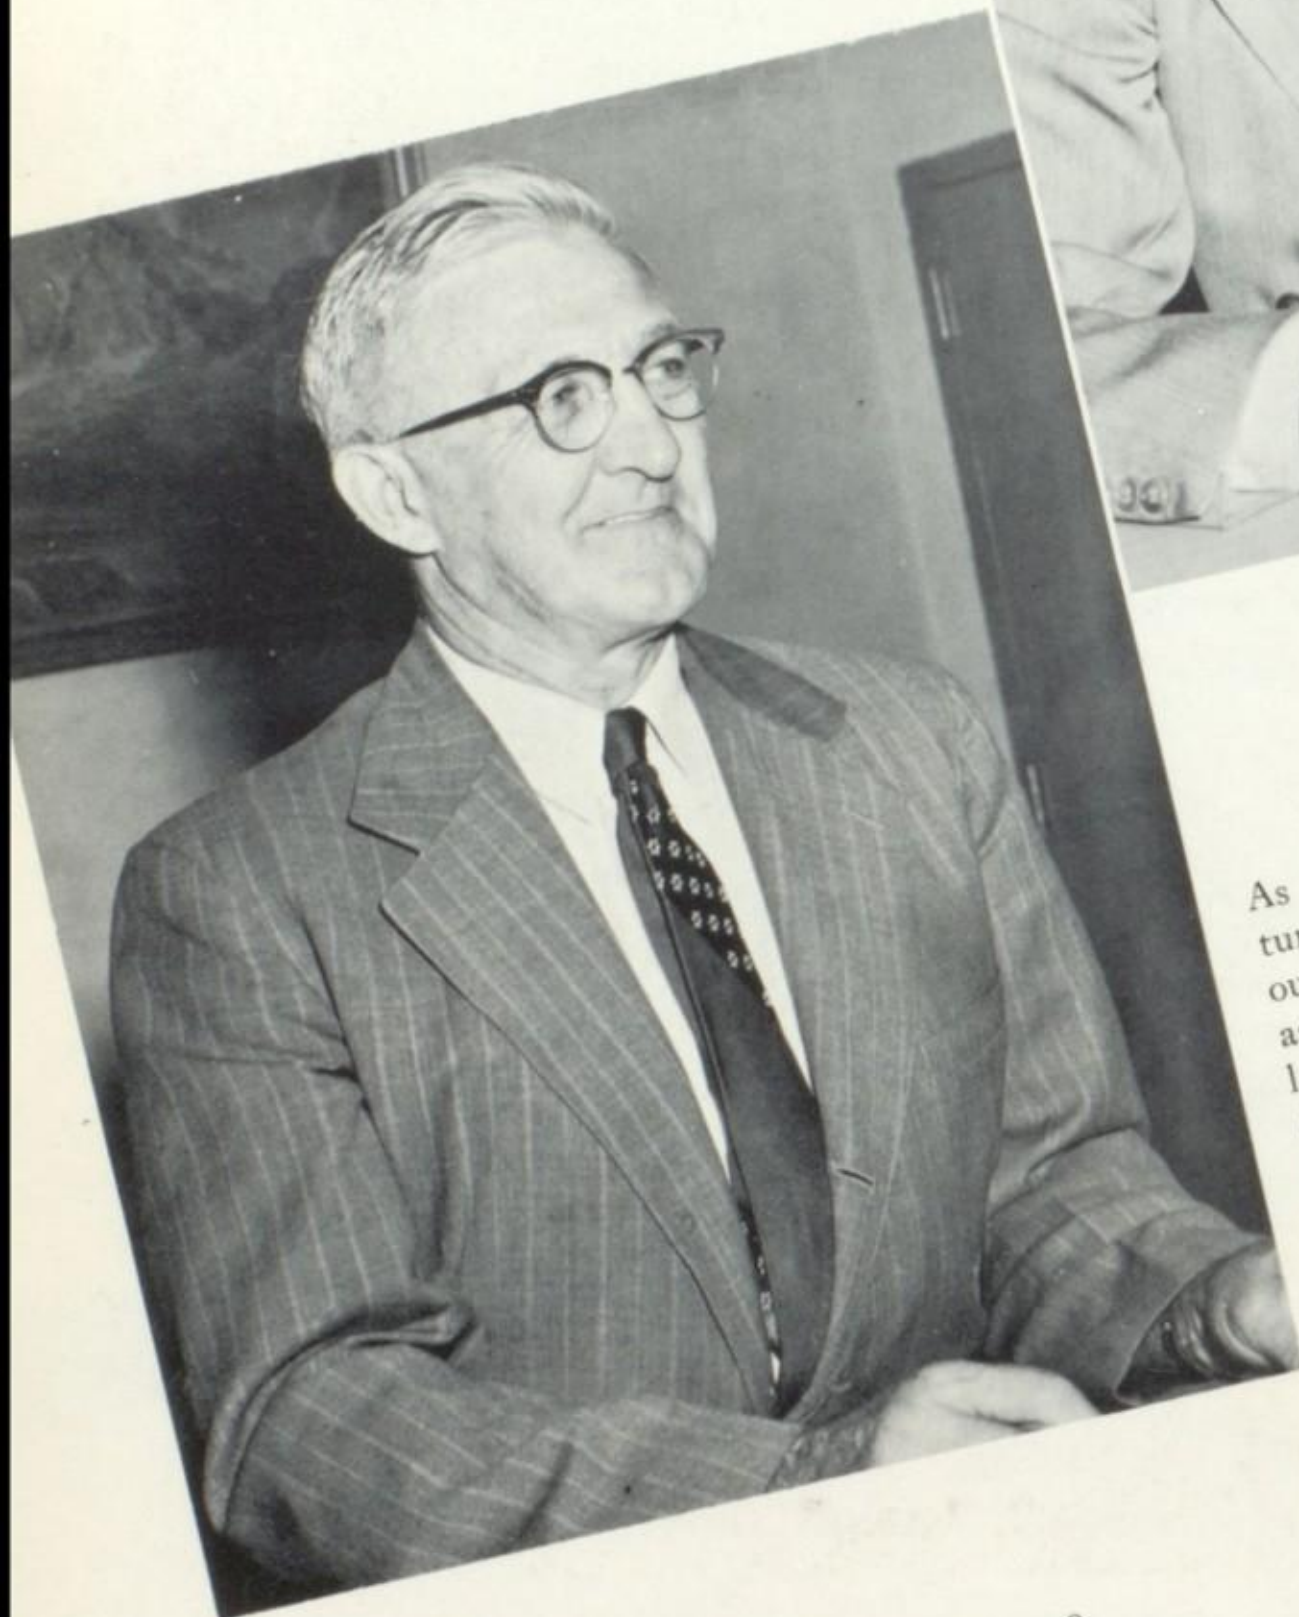

Our superintendent, Mr. Strausser, will be remembered by the class of 1956 as the capable director of Leopardland. He has done a fine job as he has supervised and helped us in our many high school activities.

As the time draws nearer for our departure, we look back with appreciation to our principal, Mr. Wilson, for his help as we have traveled through Leopardland. His tireless and cheerful work has made our high school more enjoyable and meaningful.

Our 1955 baseball squad had a fine record this season as they won 11 and lost 4. The boys should have a top notch season in 1956 as they lost only six players by graduation.

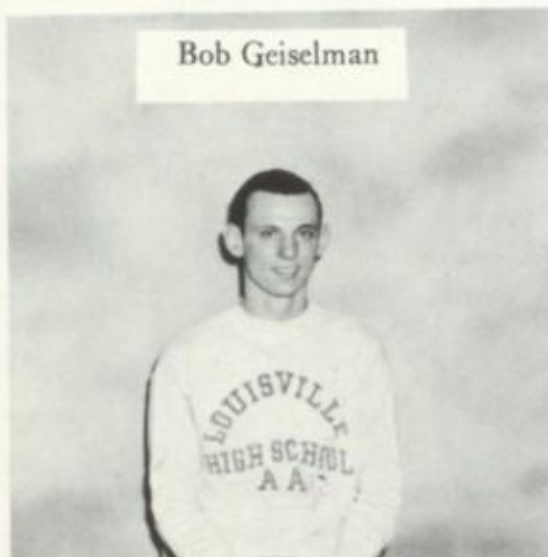

THEY PUT NEW LIFE INTO THE WORLD'S OLDEST SPORT

The 1955 track team of Louisville High school had its most successful season since 1947.

The team had a season record of 8 wins and 2 losses. Captain Bob Gieselman set three school records. (1) the 180 L.H. in time of 21.1 seconds, (2) most points ever scored in one season, 115, (3) most consecutive wins in one event (10) in the Low Hurdles. The team won the County Class A track meet and also the North Canton Relays and the North Canton Invitational. The team established 11 records on foreign tracks and won two trophies, numerous plaques and ribbons indicating the indomitable spirit of all the boys.

The team coached by Ralph Staub and Ed Wright lost two boys last season but with 8 returning lettermen, the 1956 season promised to be an eventful one.

Names of returning lettermen were Tom Howell, Ronnie Isgro, Glen Shepard, Harvey Jones, Archie Cornett, Wilbur Yoder, Lance Hite, Ed Mathie.

CALENDAR

June 11—Today was the beginning of the summer dances. After the dance there was a wiener roast at Tom Howell's in honor of Dave Leasure and Ian Blanford who were going to boot camp. The bench wasn't very safe was it, Jackie?

June 13—Down at the old mud hole, Sunbowl, it seems a dog couldn't tell the difference between Nancy McKimm's leg and a fire plug.

"California here we come," was the theme as Sam Speck, Naomi Thompson, Mike Leahy, and Anna Mae Shank left for the National Speech contest which was held at San Jose.

June 18—Tom Edwards and Chuck Chenot got back from Boys' State today. Chuck received a very high honor. Congratulations Chuck!

June 20—Today starts the big payoff, the rounds of competition at San Jose.

June 23—Sam and Naomi entered the quarterly finals.

June 24—Louisville competed in the semi-finals and was beaten by Oklahoma. A dance was held in the new gym.

July 4—Dave, Joe, John K., Dick, and Larry L. went to Cleveland on the train. Larry Beaver and John Schmuacher, who went on the bus, tried to sit in reserved seats with general admission tickets. Better luck next time, boys.

July 11—What were you doing in your aunt's bathroom, Jackie and Judy, when the two men came to fix it?

July 17—The McGuire Sisters were at the lake tonight. Some of the couples there were Jane Rebillot and Tom Howell, Judy Rastetter and Don Shamblen, Jackie Kroah and Larry Beaver, Joe Krabill and Norma Garrison, Wibur Yoder and Theresa Moore.

July 21—Wanda, Judy, Jackie, Sue, Dee, and Judy H. went to Cynthia's for a slumber party. They didn't seem to appreciate it when Jackie and Judy woke them up to say goodnight.

July 22—It seems that Lola raised quite a fuss in Alliance when the police, fire, and health departments pulled up in front of Mr. Moffett's house to answer the neighbors' complaints about a dangerous animal.

Aug. 13—The new majorettes, Linda Speece, Marnie Ehlers, Barbara Pariso, Nancy Hudson, Regina Rook, Dora Wilson, and Linda Samblanet, gave their first performance.

Oct. 3—Senior pictures were taken today.

Forget the weather prediction. Forget the clock. If you want to dry clothes on rainy days . . . or at 10 o'clock at night . . . go right ahead. An electric clothes dryer is all you need! Thirty minutes to an hour of "electric dryer sunshine" does the job while you relax.

America's top top secret

The United States Government has a lot of closely-guarded secrets—weapons, strategies, ways to fight communism. But of all of them, there's one that's more jealously guarded than all the rest. And *you're* the only one who knows what that secret is!

One of your rights as an American is the right to a secret ballot. And you alone know how you mark your ballot. No one sees it, no one can influence you. It's your secret.

In the Red-dominated countries, your vote—if you get one—is about as secret as a brass band playing in a greenhouse. You usually have only one candidate to vote for. A group of sharp-eyed officials checks your ballot to see that you voted the "right" way.

Some people, even in this country, think that that's the way elections should be run. Most Americans don't agree and it's up to every one of us to see that our ballots remain secret. If we let the secret ballot get away from us, we can say goodbye to all our American rights—freedom of speech, freedom of religion, freedom of press and all the others.

How can we preserve these freedoms? By speaking out strongly when we see them endangered. By using our secret ballot every election day to keep America free. Remember, they're *your* rights, so treat them *right*.

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship*
- Right to secret ballot*
- **Right to know how your union spends your dues*
- Freedom of speech*
- Freedom of the press*
- Right to criticize officials*
- **Right to know salaries of your union officers*
- Freedom from search without warrant*
- Right to petition government for redress of grievances*
- **Right to know if your union officers are Communists*
- **Right to know how your union is run*
- Right to speedy and public trial by jury*
- Right to help of a lawyer*
- **Right to hear your employer's side of disagreements*
- Right not to appear as a witness against yourself*
- **Right to refuse to permit the "check-off" of union dues*
- **Right to go direct to your boss with a grievance*
- Right to be presumed innocent until proved guilty*
- Freedom to own property*
- **Right to work despite union jurisdictional disputes*
- Freedom to work in any locality*
- **Right to proper supervision of your union welfare funds*
- Freedom to start and manage a business*
- Freedom to make a profit*
- **Right not to be fired by union leaders*
- ***Right to vote on company's best offer*
- **These are rights you enjoy under the Taft-Hartley law.*
- ***This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.*

Joe had had his leg chopped off in a plant accident, and, after six months, he was getting a little tired of sympathy. When he was walking along one day, he passed a solicituous old lady who saw him, shook her head sadly, and said:

"My poor man, I see you've lost a leg."

Joe looked down in horror.

"My goodness," he said, "so I have."

Graduation or Commencement?

Two words with different meanings. It all depends on your point of view. Will you graduate or will you commence?

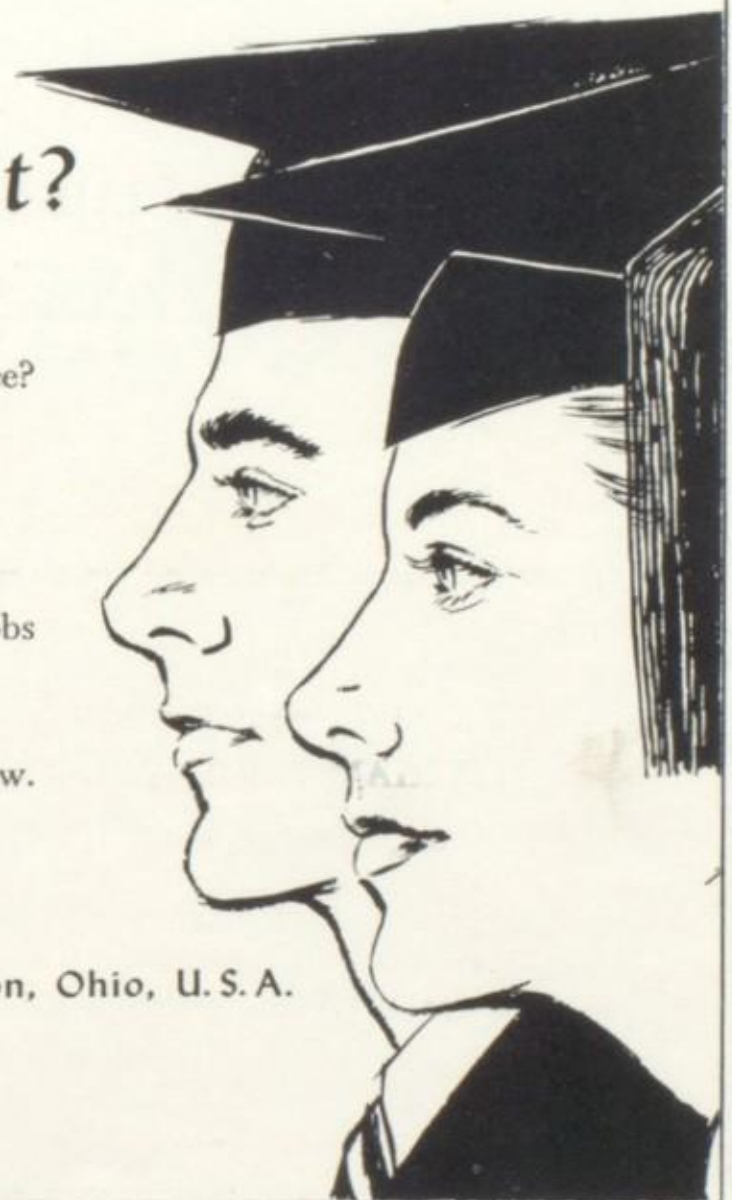

Graduation means the completion of a required course. Commencement means the beginning of new experiences.

This year, seniors will be starting new tasks. Some of you will become housewives, others will start new jobs in shops, factories and offices. Still others, will continue your studies in college.

All of these opportunities are a chance to commence anew.

Make the Most of it.
